

# YST Panel Member

## Volunteers

*Supporting Young People*

**Do you want to make a difference to young people's lives?**

**Are you 18+ & interested in working with young offenders & victims of crime?**

**Able to make a commitment of 3-12 months, evenings included?**

We are a charity delivering support to young people & families in Gloucestershire.

When a young person commits a crime and goes to court, they can get a Referral Order for between 3 – 12 months.

Our Panel Member volunteers are community members who sit on a panel that helps support young people to :

- plan the work they need to undertake
- help them think about the victim(s) of their crime
- support them to reflect on the behaviour
- not to commit crime again.

### We need your help

We need volunteers who:

- Can attend **Community Panel meetings** and regular follow up meetings with young people
- Work collaboratively with our professional teams
- Attend relevant training and supervision sessions

**Enquire about volunteering with us here:**
