

The Activities Team is an Approved Activities Provider for the Duke of Edinburgh's Award. From our base in Gloucestershire, we are uniquely placed to offer walking, canoeing and cycling expeditions in some of the country's most iconic and stunning landscapes. From the magnificent mountains of the Brecon Beacons through the peaceful Forest of Dean to the ever changing rivers of the Severn, Avon & Wye, we have fantastic facilities to train and assess Bronze, Silver and Gold level expeditions.

If you need support for your organised expedition, we can provide Expedition Supervisors and Accredited Assessors. We are also available to train your staff in using the outdoors creatively and safely with your group, including helping them to achieve National and locally accredited Governing Body awards in Hill Walking, Climbing or Paddlesports

If you would like more information on any of the activities we offer, or would like to join our Duke of Edinburgh's Open Expeditions in the 2018 expedition season, please contact us using the following methods:
