

Gloucestershire Youth Support Team

Who are we?

The Youth Support Team is made up of professionals from a wide range of disciplines so we can take a flexible approach to supporting young people.

Who do we work with?

The Youth Support Team works with young people aged 10 –19 (up to 25 if you have a learning difficulty/disability or in care and in full time education) in Gloucestershire.

We work with specific groups of young people who are the most at risk of not making a successful transition into adulthood. We also deliver statutory services alongside our partners in health, youth justice and social care

Where do we work?

We operate across Gloucestershire through our youth support centres, and with families and young people in their homes and communities.

What can we help with?
